

# Opportunities: CDI Publications, AGU topics of interest, 5 CDI calls in the next week

## Upcoming CDI calls

- [December Monthly Meeting](#): Wed 12/14, 11am-12:30pm ET: Web-enabled Visualization and Access for Value-Added Disaster Products and Data at Risk
- [Semantic Web WG](#): Thurs 12/8, 2-3pm ET: ITIS has vocabulary services. How do they handle vocabulary governance? David Mitchell will be our guest.
- [Tech Stack WG](#): Thurs 12/8, 3-4pm ET: Vector Tile Maps
- [Connected Devices WG](#): Thurs 12/8, 1-2pm ET: Nonindigenous Aquatic Species Mobile Data Collector, Department of Interior Mobile Privacy Policy, Mobile App Development Checklists
- [Data Management WG](#): Mon 12/12, 2-3pm ET, mdEditor demo and feedback

## [View the 21 Phase 2 Projects from this year's Request for Proposals](#)

Our request for proposals has moved on to Phase 2, with 21 projects invited to submit full proposals by January 20. A sincere thank you to everyone that has participated by submitting, commenting, and voting in Phase 1.

## [ORCiD Integration into Active Directory](#)

Read about how ORCiD is helping USGS to connect resources from disparate systems back to the individuals with which they are associated, link people to the products their research has generated via formal citations and metadata, and resolve the challenge of contact matching across separate systems and resources.

## [CDI Publication List](#)

CDI is compiling a list of publications that are about projects that were funded by CDI, that reference CDI, or that are about CDI. Do you have a publication that is missing from this list? Let us know at [cdi@usgs.gov](mailto:cdi@usgs.gov)

## [CDI@AGU](#)

See the updated list of topics (by day) that may be of interest to CDI members on the Forum post. Add your presentation if it's missing!

## [2017 CDI Workshop Proposed Sessions](#)

Thanks to everyone who has been proposing to lead sessions (or commenting on those sessions) at the CDI 2017 Workshop! In the coming months we will be polishing the agenda.

## [R Workshop Survey](#)

If you are interested in attending an R workshop at the 2017 CDI workshop but have not yet marked your preferred topics and level of expertise, please do so by following the link on the [R workshop page](#).

## [Recent CDI Working Group Activities](#)
